# OUR SCHOOL COMMUNITY IS READY!

ImmSchools

## We Trained All Staff, Students and Parents

On our school's safety and rapid response protocols

On our rights with immigration enforcement

On immigration policies and how they impact immigrant communities

On de-escalation technique

On how to document immigration enforcement

NOT to call school police unless there is a serious and immediate threat to public safety

## We Trained School Police

NOT to get involved with school disciplinary incidents

Only to respond when there is a serious and immediate threat to school safety

NOT to share any student or family information with federal agencies or agents
